

At Streamline Christian Academy, children learn through hands-on exploration, meaningful relationships, play, and time spent in nature. Our curriculum is intentionally woven into each child's daily experiences rather than taught through a rigid academic sequence. The concepts below provide a framework for the year while allowing us to follow children's curiosity, interests, and discoveries along the way.

	September	October	November	December	January	February	March	April	May
Themes & Exploration	All About Me Body Parts 5 Senses	Fall Farm	Thanksgiving Families and Communities	Birth of our Savior	Snow Animals	Valentine’s Day	St. Patrick's Day Easter	Life Cycles Plants	Mother’s Day Habitats
Bible Big Picture	God Made Us & Everything Around Us	Baby Moses	David & Goliath	The Birth of Our Savior	John Baptizes Jesus	Jesus’ Miracles	The True Story of Easter	The Good Samaritan	Jesus is Coming Back!
Science & Nature Exploration	Color & Nature	Pumpkins & Apples	Leaves & Trees	Christmas	Winter & Ice	Animals	Life Cycles	Plants & Growth	Bugs & Water
Character, Emotional & Social Development	Nurtured naturally through daily interactions, modeling, meaningful conversations, cooperative play, problem-solving, and opportunities to practice kindness, patience, empathy, self-regulation, resilience, responsibility, and friendship.								
Language, Literacy, and Communication	Developed naturally through stories, songs, conversations, dramatic play, vocabulary-building, questioning, storytelling and meaningful experiences								
Early Math & Problem Solving	Developed naturally through hands-on experiences with numbers, counting, sorting, measuring, comparing, patterns, spatial exploration, building, and problem solving								
Physical Development & Outdoor Skills	Developed naturally through climbing, balancing, running, jumping, carrying, digging, building, navigating outdoor spaces, and opportunities to develop coordination, strength, confidence, and body awareness
